FOREWORD

Gary's professional music career, lasting over six decades, resulted in an impressive body of work including hundreds of individual arrangements and ten eBook collections. These popular arrangements are harmonically and melodically correct, show the power and beauty of the accordion, and will challenge the beginning, intermediate, and advanced accordion players. Each of Gary's arrangements came from his heart and offers a true musical experience that should be encountered by anyone who loves and enjoys playing the accordion!

Numerous requests from his students and members of the accordion community -- always searching for *high level professionally arranged piano accordion songs* -- inspired Gary to develop this library with a few simple goals:

- All arrangements are creative and harmonically correct.
- All arrangements contain a sensible degree of difficulty.
- All arrangements are enjoyable for you to play and therefore enjoyable to your audience.
- Each song book is in a convenient and accessible PDF format.

Each song book is organized to provide a collection of arrangements that are similar by theme, genre or type. This makes getting your favorite solos easy. Together these eBooks represent a huge repertoire for the modern accordion player and are guaranteed to satisfy even the most demanding audience.

DENNIS O'TOOLE

The artistic and easily read engravings throughout this book were provided by Dennis O'Toole, a professional music engraver specializing in the accordion.
